

St. Peter's Centre

Management Committee Visit Report

Name: Lorna Anderson

Date: 6th February 2019

Time: 10.00am

Focus of Visit: improve understanding of KS3 intervention programme

Staff Involved:

Jo Ashworth

Becky Tejura

Katy Cuell

Observations / Comments:

- Fantastic, relaxed and supportive area Students were having lunch when I attended and were eating a healthy meal whilst chatting and laughing.
- Students were completing last day of intervention programme and I observed that they appeared relaxed and engaged. Parents were in attendance to observe the students presentations.
- Students in attendance appeared very supportive of one another and presented in a confident manner.
- Spoke with students who were happy to explain the work they had completed throughout the Intervention period.

Actions:

- *Information gained to be presented to team at school insight into intervention programme referral and admissions criteria.*
- *To revisit St Peters at the start of an Intervention programme.*
