

St. Peter's Centre

Management Committee Visit Report

Name:	Susanna Mackie	Date & Time:	11/11/2021 – 10:15am
Focus of Visit:	General visit		
Staff Involved:	Yolande Mead		

During your visit please make notes on the following areas:

Observations / Comments:

This was my first visit to St Peter's Centre since Covid restrictions had been (mostly) lifted. On arrival, after signing in, I was requested to take a lateral flow covid test as part of the school's risk assessment, which I was happy to do so. My visit coincided with visit by new Inclusion Officers from the NE and NW teams so it was useful to make those connections also. It was lovely to see how calm and settled everyone was, despite Covid still having huge impact – as always SPC was very welcoming.

Whilst there my visit coincided with an English lesson as well as break time for the students. Bertie, the therapy dog, was onsite also and he is clearly a great addition to the team.

Actions:

Book visit to go through website audit

Reflection of Visit:

Was good to be able to visit again
Students settled and appeared to not be phased by visitors
English lesson partially observed was clearly well planned and differentiated.
Students encouraged to be active at break time
Environment was clean and settled
Addition of Bertie clearly a huge positive
'covid safe'
Welcoming

Signed:

Susanna Mackie
